

The Stock Camp Hike

The 3 day Stock Camp Trek will let you refresh and calm your mind, let the remote outback recharge you as you journey through it. Departing from the very comfortable Stock Camp each morning and hiking over the northern boundary of Herbertvale Station, your local guide will lead you across the ever changing countryside, from the sparse spinifex hills to the oasis of small gorges full of birds and wildlife. Each day you will hike a new trail and return to The Stock Camp to then be spoilt in the evenings with drinks and canapés to view the never disappointing sunsets.

The Stock Camp is nestled beside the Musselbrook Creek, the flurry of birdlife and the soothing waterhole will be your base for the 3 nights. Hot showers and a flushing toilet are just some of the comforts you will enjoy at the Stock Camp. Trek West will provide you with a semi- permanent twin share tent and canvas stretcher bed. You will need to bring your own sleeping bag, sleeping mat and pillow. Each evening you will be treated to a safari styled atmosphere, created for your comfort and relaxation. It is our privilege to ensure that your hiking experience is as enriching and challenging, as it is soothing.

The weather is predictable in North West Queensland and that makes planning for the hike very easy. Our hiking season, from April to September, boasts temperatures of mild (14°C to 34°C) clear sunny days and crisp night conditions perfect for stargazing. There is a very low risk of rain at this time of year.

The trek requires a moderate level of fitness and preparation. You will be required to carry a small day pack with your water, camera and personal requirements for each day.

Your safety is our first priority. Your guides will always carry a satellite phone and two-way radio in case of an emergency. A Royal Flying Doctor registered airstrip is located 5 kilometers from the Stock Camp. Both guides hold current First Aid Certification and are experienced in the protocols for remote evacuation if an incident was to occur.

So lace up your hiking boots, strap on your backpack and get ready to embark on an unforgettable adventure in Queensland's great North West.
